

§ 902.79

(i) *Continuation of services to residents.* To the extent feasible, while a PHA is in a troubled performer status, all services to residents will continue uninterrupted.

§ 902.79 Verification and records.

All project and PHA certifications, year-end financial information, and supporting documentation are subject to HUD verification at any time, including review by an independent auditor. All PHAs must retain supporting documents for any certifications and for asset management reviews for at least 3 years. Failure to maintain and provide supporting documentation for a period of 3 years for any indicator(s), subindicator(s), or other methods used to assess performance shall result in a score of zero for the indicator(s) or subindicator(s), and a lower overall PHAS score for the applicable assessment period.

§ 902.81 Resident petitions for remedial action.

Residents of a PHA designated as troubled pursuant to section 6(j)(2)(A) of the Act (42 U.S.C. 1437d(j)(2)(A)) may petition HUD in writing to take one or more of the actions referred to in section 6(j)(3)(A) of the Act (42 U.S.C. 1437d(j)(3)(A)). HUD will consider any petition from a group of residents totaling at least 20 percent of the PHA's residents, or from an organization or organizations of residents whose membership equals at least 20 percent of the PHA's residents. HUD shall respond to such petitions in a timely manner with a written description of the actions, if any, HUD plans to take and, where applicable, the reasons why such actions differ from the course proposed by the residents. Nothing in this section shall limit HUD's discretion to determine whether a substantial default has occurred or to select the appropriate intervention upon such determination.

§ 902.83 Sanctions for troubled performer PHAs.

(a) If a troubled performer PHA fails to make substantial improvement, as set forth in § 902.75(d), HUD shall:

(1) In the case of a troubled performer PHA with 1,250 or more units, declare substantial default in accord-

24 CFR Ch. IX (4–1–17 Edition)

ance with § 907.3(b)(3) of this chapter and petition for the appointment of a receiver pursuant to section 6(j)(3)(A)(ii) of the Act (42 U.S.C. 1437d(j)(3)(A)(ii)); or

(2) In the case of a troubled performer PHA with fewer than 1,250 units, declare substantial default in accordance with § 907.3(b)(3) of this chapter and either petition for the appointment of a receiver pursuant to section 6(j)(3)(A)(ii) of the Act (42 U.S.C. 1437d(j)(3)(A)(ii)), or take possession of the PHA (including all or part of any project or program of the PHA) pursuant to section 6(j)(3)(A)(iv) of the Act (42 U.S.C. 1437d(j)(3)(A)(iv)), and appoint, on a competitive or noncompetitive basis, an individual or entity as an administrative receiver to assume the responsibilities of HUD for the administration of all or part of the PHA (including all or part of any project or program of the PHA).

(3) In the case of substantial default by a troubled performer PHA, nothing in this section shall be construed to limit the courses of action available to HUD under this part, 24 CFR part 907, or section 6(j)(3)(A) of the Act (42 U.S.C. 1437d(j)(3)(A)) for any other substantial default by a PHA.

(b) If a troubled performer PHA fails to execute or meet the requirements of an MOA in accordance with § 902.75, other than as specified in paragraph (a) of this section, the PHA may be deemed to be in substantial default by HUD and any remedy available therefore may be invoked in the discretion of HUD.

Subpart A—Deconcentration of Poverty

§ 903.1 What is the purpose of this subpart?

The purpose of this subpart is to specify the process which a Public Housing Agency, as part of its annual planning process and development of an admissions policy, must follow in order to develop and apply a policy that provides for deconcentration of poverty and income mixing in certain public housing developments.

[80 FR 42368, July 16, 2015]

§ 903.2 With respect to admissions, what must a PHA do to deconcentrate poverty in its developments?

(a) *General.* The PHA's admission policy includes the PHA's policy designed to promote deconcentration of poverty and income mixing in accordance with section 16(a)(3)(B) of the 1937 Act (42 U.S.C. 1437n), which is submitted to

HUD as part of the PHA Annual Plan process. Deconcentration of poverty and income mixing is promoted by a policy that provides for bringing higher income tenants into lower income developments and lower income tenants into higher income developments.

(1) The provisions of this section apply to applicants to and residents seeking voluntary transfers within covered public housing developments ("covered developments" as specified in paragraph (b) of this section).

(2) The statutory requirement to design a policy to provide for deconcentration and income mixing is not to be construed to impose or require any specific income or racial quotas for any development or developments.

(b) *Applicability of deconcentration of poverty and income mixing requirements—*

(1) *Developments subject to deconcentration of poverty and income mixing requirements.* The

deconcentration requirements of this subpart apply to general occupancy, family public housing developments, excluding those developments listed in paragraph (b)(2) of this section. Developments to which this subpart is applicable are referred to as "covered developments".

(2) *Developments not subject to deconcentration of poverty and income mixing requirements.* This subpart does not apply to the following public housing developments:

(i) Public housing developments operated by a PHA with fewer than 100 public housing units;

(ii) Public housing developments operated by a PHA which house only elderly persons or persons with disabilities, or both;

(iii) Public housing developments operated by a PHA which consist of only one general occupancy, family public housing development;

(iv) Public housing developments approved for demolition or for conversion to tenant-based assistance; and

(v) Public housing developments which include public housing units operated in accordance with a HUD-approved mixed-finance plan using HOPE

VI or public housing funds awarded before the effective date of this rule, provided that the PHA certifies (and includes reasons for the certification) as part of its PHA Plan (which may be accomplished either in the annual Plan submission or as a significant amendment to its PHA Plan) that exemption from the regulation is necessary to honor an existing contractual agreement or be consistent with a mixed finance plan, including provisions regarding the incomes of public housing residents to be admitted to that development, which has been developed in consultation with residents with rights to live at the affected development and other interested persons.

(c) *Deconcentration of poverty and income mixing*—(1) *Steps for implementation.* To implement the statutory requirement to deconcentrate poverty and provide for income mixing in covered public housing developments, a PHA must comply with the following steps:

(i) *Step 1.* A PHA shall determine the average income of all families residing in all the PHA's covered developments. A PHA may use median income, instead of average income, provided that the PHA includes a written explanation in its PHA Annual Plan justifying use of median income in the PHA's Annual Plan.

(ii) *Step 2.* A PHA shall determine the average income of all families residing in each covered development. In determining average income for each development, a PHA has the option of adjusting its income analysis for unit size in accordance with procedures prescribed by HUD.

(iii) *Step 3.* A PHA shall determine whether each of its covered developments falls above, within or below the Established Income Range. The Established Income Range is from 85 to 115 percent (inclusive) of the average family income (the PHA-wide average income for covered developments as defined in Step 1), except that the upper limit shall never be less than the income at which a family would be defined as an extremely low income family under 24 CFR 5.603(b).

(iv) *Step 4.* A PHA with covered developments having average incomes outside the Established Income Range

may explain or justify the income profile for these developments as being consistent with and furthering two sets of goals: the goals of deconcentration of poverty and income mixing as specified by the statute (bringing higher income tenants into lower income developments and vice versa); and the local goals and strategies contained in the PHA Annual Plan. Elements of explanations or justifications that may satisfy these requirements may include, but shall not be limited to the following:

(A) The covered development or developments are subject to consent decrees or other resident selection and admission plans mandated by court action;

(B) The covered development or developments are part of PHA's programs, strategies or activities specifically authorized by statute, such as mixed-income or mixed-finance developments, homeownership programs, self-sufficiency strategies, or other strategies designed to deconcentrate poverty, promote income mixing in public housing, increase the incomes of public housing residents, or the income mix is otherwise subject to individual review and approval by HUD;

(C) The covered development's or developments' size, location, and/or configuration promote income deconcentration, such as scattered site or small developments;

(D) The income characteristics of the covered development or developments are sufficiently explained by other circumstances.

(v) *Step 5.* Where the income profile for a covered development is not explained or justified in the PHA Annual Plan submission, the PHA shall include in its admission policy its specific policy to provide for deconcentration of poverty and income mixing in applicable covered developments. Depending on local circumstances, a PHA's deconcentration policy (which may be undertaken in conjunction with other efforts such as efforts to increase self-sufficiency or current residents) may include but is not limited to providing for one or more of the following actions:

(A) Providing incentives designed to encourage families with incomes below

the Established Income Range to accept units in developments with incomes above the Established Income Range, or vice versa, including rent incentives, affirmative marketing plans, or added amenities;

(B) Targeting investment and capital improvements toward developments with an average income below the Established Income Range to encourage applicant families whose income is above the Established Income Range to accept units in those developments;

(C) Establishing a preference for admission of working families in developments below the Established Income Range;

(D) Skipping a family on the waiting list to reach another family in an effort to further the goals of the PHA's deconcentration policy;

(E) Providing such other strategies as permitted by statute and determined by the PHA in consultation with the residents and the community, through the PHA Annual Plan process, to be responsive to the local context and the PHA's strategic objectives.

(2) *Determination of compliance with deconcentration requirement.* HUD shall consider a PHA to be in compliance with this subpart if:

(i) The PHA's income analysis shows that the PHA has no general occupancy family developments to which the deconcentration requirements apply; that is, the average incomes of all covered developments are within the Established Income Range;

(ii) The PHA has covered developments with average incomes above or below the Established Income Range and the PHA provides a sufficient explanation in its Annual Plan that supports that the income mix of such development or developments is consistent with and furthers the goal of deconcentration of poverty and income mixing and also the locally determined goals of the PHA's Annual and Five Year Plans, and the PHA therefore need not take further action to deconcentrate poverty and mix incomes; or

(iii) The PHA's deconcentration policy provides specific strategies the PHA will take that can be expected to promote deconcentration of poverty and income mixing in developments

with average incomes outside of the Established Income Range.

(3) *Right of return.* If a PHA has provided that a family that resided in a covered public housing development has a right to admission to a public housing unit in that development after revitalization, the requirements of paragraph (c) of this section do not preclude fulfilling that commitment or a PHA's commitment to return a family to another development after revitalization.

(4) *Family's discretion to refuse a unit.* A family has the sole discretion whether to accept an offer of a unit made under a PHA's deconcentration policy. The PHA may not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under the PHA's deconcentration policy. In accordance with the PHA's established policies, the PHA may uniformly limit the number of offers received by applicants.

(5) *Relationship to income targeting requirement.* Nothing in this section relieves a PHA of the obligation to meet the requirement to admit annually at least 40 percent families whose incomes are below 30 percent of area median income as provided by section 16(a)(2) of the 1937 Act, 42 U.S.C. 1437n(a)(2).

(d) *Relationship between poverty deconcentration and fair housing.* The requirements for poverty deconcentration in paragraph (c) of this section and for fair housing in 24 CFR 903.15(d) arise under separate statutory authorities.

Subpart B—PHA Plans and Fair Housing Requirements

§ 903.3 What is the purpose of this subpart?

(a) This subpart specifies the requirements for PHA plans, required by section 5A of the United States Housing Act of 1937 (42 U.S.C. 1437c-1) (the Act), as amended.

(b) The purpose of the plans is to provide a strategic planning framework for PHA management operations and capital planning:

(1) Local accountability; and

(2) An easily identifiable source by which public housing residents, participants in the tenant-based assistance program, and other members of the public may locate basic PHA policies, rules and requirements concerning the PHA's operations, programs and services.

(c) Title VII of the Housing and Economic Reform Act, Public Law 110-289, section 2702, amends 42 U.S.C. 1437c-1(b) to provide qualified PHAs an exemption from the requirement of section 5A of the Act to submit an annual PHA Plan. The term "qualified PHA" means a public housing agency that meets the following requirements:

(1) The sum of the number of public housing dwelling units administered by the agency, and the number of vouchers under section 8(o) of the United States Housing Act of 1937 (42 U.S.C. 1437f(o)) administered by the agency, is 550 or fewer; and

(2) The agency is not designated under section 42 U.S.C. 1437d(j)(2) as a troubled public housing agency, and does not have a failing score under SEMAP during the prior 12 months.

[78 FR 63770, Oct. 24, 2013]

§ 903.4 What are the public housing agency plans?

(a) *Types of plans.* There are two public housing agency plans. They are:

(1) The 5-Year Plan (the 5-Year Plan) that a public housing agency (PHA) must submit to HUD once every five PHA fiscal years. The 5-Year Plan covers the five PHA fiscal years immediately following the date on which the 5-Year Plan is due to HUD; and

(2) The Annual Plan (Annual Plan) that the PHA must submit to HUD for each fiscal year immediately following the date on which the Annual Plan is due to HUD and for which the PHA receives:

(i) Section 8 tenant-based assistance (under section 8(o) of the U.S. Housing Act of 1937, 42 U.S.C. 1437f(o)) (tenant-based assistance); or

(ii) Amounts from the public housing operating fund or capital fund (under section 9 of the U.S. Housing Act of 1937 (42 U.S.C. 1437g) (public housing)).

(b) *Format.* HUD may prescribe the format of submission (including electronic format submission) of the plans.

HUD also may prescribe the format of attachments to the plans and documents related to the plan that the PHA does not submit but may be required to make available locally. PHAs will receive appropriate notice of any prescribed format.

(c) *Applicability.* The requirements of this subpart only apply to a PHA that receives the type of assistance described in paragraph (a) of this section.

(d) *Authority for waivers.* In addition to the waiver authority provided in § 5.110 of this title, the Secretary may, subject to statutory limitations, waive any provision of this title on a program-wide basis, and delegate this authority in accordance with section 106 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3535(q)) where the Secretary determines that such waiver is necessary for the effective implementation of this part.

§ 903.5 When must a PHA submit the plans to HUD?

(a) *5-Year Plan.* (1) The first PHA fiscal year that is covered by the requirements of this part as amended on December 22, 2000, is the PHA fiscal year that begins October 2001. This 5-Year Plan submitted by a PHA must be submitted for the 5-year period beginning October 1, 2001.

(2) For all PHAs, the first 5-Year Plans are due 75 days before the commencement of their fiscal year.

(3) For all PHAs, after submission of their first 5-Year Plan, all subsequent 5-Year Plans must be submitted once every 5 PHA fiscal years, no later than 75 days before the commencement of the PHA's fiscal year. However, HUD may require that half of all PHAs with less than 250 public housing units submit their 5-Year Plan one fiscal year in advance (in the fourth PHA fiscal year rather than the fifth PHA fiscal year).

(4) PHAs may choose to update their 5-Year Plans every year as good management practice and must update their 5-Year Plans that were submitted for PHA fiscal years beginning before October 1, 2001, to comply with the requirements of this part as amended on December 22, 2000, at the time they submit their next Annual Plan for fiscal years beginning on or after October

1, 2001. PHAs must explain any substantial deviation from their 5-Year Plans in their Annual Plans. (Substantial deviation is determined by the PHA in accordance with criteria provided by the PHA in its Annual Plan in accordance with § 903.7(r).)

(b) *The Annual Plan.* (1) The first PHA fiscal year that is covered by the requirements of this part as amended on December 22, 2000 is the PHA fiscal year that begins October 1, 2001.

(2) For all PHAs, the first Annual Plans are due 75 days before the commencement of their fiscal year.

(3) For all PHAs, after submission of the first Annual Plan, all subsequent Annual Plans will be due no later than 75 days before the commencement of their fiscal year.

[64 FR 56862, Oct. 21, 1999, as amended at 66 FR 8898, Mar. 7, 2001; 68 FR 37671, June 24, 2003]

§ 903.6 What information must a PHA provide in the 5-Year Plan?

(a) A PHA must include in its 5-Year Plan a statement of:

(1) The PHA's mission for serving the needs of low-income, very low-income and extremely low-income families in the PHA's jurisdiction; and

(2) The PHA's goals and objectives that enable the PHA to serve the needs of the families identified in the PHA's Annual Plan. For HUD, the PHA and the public to better measure the success of the PHA in meeting its goals and objectives, the PHA must adopt quantifiable goals and objectives for serving those needs wherever possible.

(3) A statement about goals, activities, objectives, policies, or programs that will enable a PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking.

(b) After submitting its first 5-Year Plan, a PHA in its succeeding 5-Year Plans, must address:

(1) The PHA's mission, goals and objectives for the next 5 years; and

(2) The progress the PHA has made in meeting the goals and objectives described in the PHA's previous 5-Year Plan.

[65 FR 81222, Dec. 22, 2000, as amended at 73 FR 72344, Nov. 28, 2008; 75 FR 66262, Oct. 27, 2010]

§ 903.7 What information must a PHA provide in the Annual Plan?

With the exception of the first Annual Plan submitted by a PHA, the Annual Plan must include the information provided in this section. HUD will advise PHAs by separate notice, sufficiently in advance of the first Annual Plan due date, of the information, described in this section that must be part of the first Annual Plan submission, and any additional instructions or directions that may be necessary to prepare and submit the first Annual Plan. The information described in this section applies to both public housing and tenant-based assistance, except where specifically stated otherwise. The information that the PHA must submit for HUD approval under the Annual Plan includes the discretionary policies of the various plan components or elements (for example, rent policies) and not the statutory or regulatory requirements that govern these plan components and that provide no discretion on the part of the PHA in implementation of the requirements. The PHA's Annual Plan must be consistent with the goals and objectives of the PHA's 5-Year Plan.

(a) *A statement of housing needs.* (1) This statement must address the housing needs of the low-income and very low-income families who reside in the jurisdiction served by the PHA, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists, including:

(i) Families meeting the definition of extremely low-income families in 24 CFR 5.603.

(ii) Elderly families;

(iii) Until the PHA has submitted an Assessment of Fair Housing (AFH), which includes an assessment of disproportionate housing needs in accordance with 24 CFR 5.154(d)(2)(iv), households with individuals with disabilities and households of various races and ethnic groups residing in the jurisdiction or on the waiting list. Once the PHA has submitted an AFH, however, such households need not be addressed in this statement.

(2) A PHA must make reasonable efforts to identify the housing needs of each of the groups listed in paragraph

(a)(1) of this section based on information provided by the applicable consolidated plan, information provided by HUD, and other generally available data.

(i) The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

(ii) The statement of housing needs also must describe the ways in which the PHA intends, to the maximum extent practicable, to address those needs and the PHA's reasons for choosing its strategy.

(b) *A statement of the PHA's deconcentration and other policies that govern eligibility, selection, and admissions.* This statement must describe the PHA's policies that govern resident or tenant eligibility, selection and admission. This statement also must describe any PHA admission preferences, and any occupancy policies that pertain to public housing units and housing units assisted under section 8(o) of the 1937 Act, as well as any unit assignment policies for public housing. This statement must include the following information:

(1) *Deconcentration Policy.* The PHA's deconcentration policy applicable to public housing, as described in § 903.2(a).

(2) *Waiting List Procedures.* The PHA's procedures for maintaining waiting lists for admission to the PHA's public housing developments. The statement must address any site-based waiting lists, as authorized by section 6(s) of the 1937 Act (42 U.S.C. 1437d(s)), for public housing. Section 6(s) of the 1937 Act permits PHAs to establish a system of site-based waiting lists for public housing that is consistent with all applicable civil rights and fair housing laws and regulations. Notwithstanding any other regulations, a PHA may adopt site-based waiting lists where:

(i) The PHA regularly submits required occupancy data to HUD's Multifamily Tenant Characteristics Systems (MTCS) in an accurate, complete and timely manner;

(ii) The system of site-based waiting lists provides for full disclosure to each applicant of any option available to the applicant in the selection of the development in which to reside, including

basic information about available sites (location, occupancy, number and size of accessible units, amenities such as day care, security, transportation and training programs) and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types (e.g., regular or accessible) at each site;

(iii) Adoption of site-based waiting lists would not violate any court order or settlement agreement, or be inconsistent with a pending complaint brought by HUD;

(iv) The PHA includes reasonable measures to assure that adoption of site-based waiting lists is consistent with affirmatively furthering fair housing, such as reasonable marketing activities to attract applicants regardless of race or ethnicity;

(v) The PHA provides for review of its site-based waiting list policy to determine if the policy is consistent with civil rights laws and certifications through the following steps:

(A) As part of the submission of the Annual Plan, the PHA shall assess changes in racial, ethnic or disability-related tenant composition at each PHA site that may have occurred during the implementation of the site-based waiting list, based upon MTCS occupancy data that has been confirmed to be complete and accurate by an independent audit (which may be the annual independent audit) or is otherwise satisfactory to HUD;

(B) At least every three years the PHA uses independent testers or other means satisfactory to HUD, to assure that the site-based waiting list is not being implemented in a discriminatory manner, and that no patterns or practices of discrimination exist, and providing the results to HUD;

(C) Taking any steps necessary to remedy the problems surfaced during the review; and

(D) Taking the steps necessary to affirmatively further fair housing.

(3) *Other admissions policies.* The PHA's admission policies that include any other PHA policies that govern eligibility, selection and admissions for the public housing (see part 960 of this title) and tenant-based assistance programs (see part 982, subpart E of this title). (The information requested on

site-based waiting lists and deconcentration is applicable only to public housing.)

(c) *A statement of financial resources.* This statement must address the financial resources that are available to the PHA for the support of Federal public housing and tenant-based assistance programs administered by the PHA during the plan year. The statement must include a listing, by general categories, of the PHA's anticipated resources, such as PHA operating, capital and other anticipated Federal resources available to the PHA, as well as tenant rents and other income available to support public housing or tenant-based assistance. The statement also should include the non-Federal sources of funds supporting each Federal program, and state the planned uses for the resources.

(d) *A statement of the PHA's rent determination policies.* This statement must describe the PHA's basic discretionary policies that govern rents charged for public housing units, applicable flat rents, and the rental contributions of families receiving tenant-based assistance. For tenant-based assistance, this statement also shall cover any discretionary minimum tenant rents and payment standard policies.

(e) *A statement of the PHA's operation and management.* (1) This statement must list the PHA's rules, standards, and policies that govern maintenance and management of housing owned, assisted, or operated by the PHA.

(2) The policies listed in this statement must include a description of any measures necessary for the prevention or eradication of pest infestation. Pest infestation includes cockroach infestation.

(3) This statement must include a description of PHA management organization, and a listing of the programs administered by the PHA.

(4) The information requested on a PHA's rules, standards and policies regarding management and maintenance of housing applies only to public housing. The information requested on PHA program management and listing of administered programs applies to public housing and tenant-based assistance.

(f) *A statement of the PHA grievance procedures.* This statement describes

the grievance and informal hearing and review procedures that the PHA makes available to its residents and applicants. These procedures include public housing grievance procedures and tenant-based assistance informal review procedures for applicants and hearing procedures for participants.

(g) *A statement of capital improvements needed.* With respect to public housing only, this statement describes the capital improvements necessary to ensure long-term physical and social viability of the PHA's public housing developments, including the capital improvements to be undertaken in the year in question and their estimated costs, and any other information required for participation in the Capital Fund. PHAs also are required to include 5-Year Plans covering large capital items.

(h) *A statement of any demolition and/or disposition—(1) Plan for Demolition/Disposition.* With respect to public housing only, a description of any public housing development, or portion of a public housing development, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act (42 U.S.C. 1437p), and the timetable for demolition and/or disposition. The application and approval process for demolition and/or disposition is a separate process. Approval of the PHA Plan does not constitute approval of these activities.

(2) *Interim Plan for Demolition/Disposition.* (i) Before submission of the first Annual Plan, a PHA may submit an interim PHA Annual Plan solely for demolition/disposition. The interim plan must provide:

(A) The required description of the action to be taken;

(B) A certification of consistency with the Consolidated Plan;

(C) A description of how the plan is consistent with the Consolidated Plan;

(D) A relocation plan that includes the availability of units in the area and adequate funding; and

(E) Confirmation that a public hearing was held on the proposed action and that the resident advisory board was consulted.

(ii) Interim plans for demolition/disposition are subject to PHA Plan procedural requirements in this part (see

§ 903.7

24 CFR Ch. IX (4-1-17 Edition)

§§ 903.13, 903.15, 903.17, 903.19, 903.21, 903.23, 903.25), with the following exception. If a resident advisory board has not yet been formed, the PHA may seek a waiver of the requirement to consult with the resident advisory board on the grounds that organizations that adequately represent residents for this purpose were consulted.

(iii) The actual application for demolition or disposition may be submitted at the same time as submission of the interim plan or at a later date.

(i) *A statement of the public housing developments designated as housing for elderly families or families with disabilities or elderly families and families with disabilities.* (1) With respect to public housing only, this statement identifies any public housing developments owned, assisted, or operated by the PHA, or any portion of these developments, that:

(i) The PHA has designated for occupancy by:

(A) Only elderly families;

(B) Only families with disabilities; or

(C) Elderly families and families with disabilities; and

(ii) The PHA will apply for designation for occupancy by:

(A) Only elderly families;

(B) Only families with disabilities; or

(C) Elderly families and families with disabilities as provided by section 7 of the 1937 Act (42 U.S.C. 1437e).

(2) The designated housing application and approval process is a separate process. Approval of the PHA Plan does not constitute approval of these activities.

(j) *A statement of the conversion of public housing to tenant-based assistance.* (1) This statement describes:

(i) Any building or buildings that the PHA is required to convert to tenant-based assistance under section 33 of the 1937 Act (42 U.S.C. 1437z-5);

(iii) How the PHA will comply with the requirements of section 12(c) and (d) of the 1937 Act (42 U.S.C. 1437j(c) and (d)). These statutory provisions relate to community service by public housing residents and treatment of income changes in public housing and tenant-based assistance recipients resulting from welfare program requirements. PHAs must address any co-operation agreements, as described in section 12(d)(7) of the 1937 Act (42 U.S.C. 1437j(d)(7)), that the PHA has entered into or plans to enter into.

(2) The statement regarding the PHA's safety and crime prevention plan must include the following information:

(i) A description of the need for measures to ensure the safety of public housing residents;

(ii) A description of any crime prevention activities conducted or to be conducted by the PHA; and

(4) If HUD determines at any time that the security needs of a public housing development are not being adequately addressed by the PHA's plan, or that the local police precinct is not assisting the PHA with compliance with its crime prevention measures as described in the Annual Plan, HUD may mediate between the PHA and the local precinct to resolve any issues of conflict.

the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 *et seq.*), and other applicable Federal civil right laws, and that it will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the AFH conducted in accordance with the requirements of 24 CFR 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with paragraph (o)(3) of this section.

(2) The certification is applicable to both the 5-Year Plan and the Annual Plan, including any plan incorporated therein.

(3) A PHA shall be considered in compliance with the certification requirement to affirmatively further fair housing if the PHA fulfills the requirements of §§ 903.7(o)(1) and 903.15(d) and:

- (ii) Identifies any fair housing issues and contributing factors within those programs, in accordance with 24 CFR 5.154;

(r) *Additional information to be provided.* (1) For all Annual Plans following submission of the first Annual Plan, a PHA must include a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan;

(2) A PHA must identify the basic criteria the PHA will use for determining:

- (i) A substantial deviation from its 5-Year Plan; and
- (ii) A significant amendment or modification to its 5-Year Plan and Annual Plan.

§ 903.9 May HUD request additional information in the Annual Plan of a troubled PHA?

HUD may request that a PHA that is at risk of being designated as troubled or is designated as troubled in accordance with section 6(j)(2) of the 1937 Act (42 U.S.C. 1437d(j)(2)), the Public Housing Management Assessment Program (part 901 of this title) or the Public

Housing Assessment System (part 902 of this chapter) include its operating budget. The PHA also must include or reference any applicable memorandum of agreement with HUD or any plan to improve performance, and such other material as HUD may prescribe.

§ 903.11 Are certain PHAs eligible to submit a streamlined Annual Plan?

(a) Yes, the following PHAs may submit a streamlined Annual Plan, as described in paragraph (b) of this section:

(1) PHAs that are determined to be high performing PHAs as of the last annual or interim assessment of the PHA before the submission of the 5-Year or Annual Plan;

(2) PHAs with less than 250 public housing units (small PHAs) and that have not been designated as troubled in accordance with section 6(j)(2) of the 1937 Act; and

(3) PHAs that only administer tenant-based assistance and do not own or operate public housing.

(b) All streamlined plans must provide information on how the public may reasonably obtain additional information on the PHA policies contained in the standard Annual Plan, but excluded from their streamlined submissions.

(c) A streamlined plan must include the information provided in this paragraph (c). The Secretary may reduce the information requirements of streamlined Plans further, with adequate notice.

(1) For high performing PHAs, the streamlined Annual Plan must include the information required by § 903.7(a), (b), (c), (d), (g), (h), (k), (m), (n), (o), (p) and (r). The information required by § 903.7(m) must be included only to the extent this information is required for PHA's participation in the public housing drug elimination program and the PHA anticipates participating in this program in the upcoming year. The information required by § 903.7(k) must be included only to the extent that the PHA participates in homeownership programs under section 8(y).

(2) For small PHAs that are not designated as troubled (see § 902.67(c)) or that are not at risk of being designated as troubled (see § 902.67(b)(4) of this chapter) under section 6(j)(2) of the 1937

Act, the requirements for streamlined Annual Plans are described in § 903.12.

(3) For PHAs that administer only tenant-based assistance, the streamlined Annual Plan must include the information required by § 903.7(a), (b), (c), (d), (e), (f), (k), (l), (o), (p) and (r).

[65 FR 49484, Aug. 14, 2000, as amended at 65 FR 55161, Sept. 12, 2000; 68 FR 37671, June 24, 2003]

§ 903.12 What are the streamlined Annual Plan requirements for small PHAs?

(a) *General.* PHAs with less than 250 public housing units (small PHAs) and that have not been designated as troubled (see § 902.67(c) of this chapter) or that are not at risk of being designated as troubled (see § 902.67(b)(4)) under section 6(j) of the 1937 Act may submit streamlined Annual Plans in accordance with this section.

(b) *Streamlined Annual Plan requirements for fiscal years in which its 5-Year Plan is also due.* For the fiscal year in which its 5-Year Plan is also due, the streamlined Annual Plan of the small PHA shall consist of the information required by § 903.7(a), (b), (c), (d), (g), (h), (k), (o) and (r). If the PHA wishes to use the project-based voucher program, the streamlined Annual Plan of the small PHA must also include a statement of the projected number of project-based units and general locations and how project basing would be consistent with its PHA Plan. The information required by § 903.7(a) must be included only to the extent it pertains to the housing needs of families that are on the PHA's public housing and Section 8 tenant-based assistance waiting lists. The information required by § 903.7(k) must be included only to the extent that the PHA participates in homeownership programs under section 8(y) of the 1937 Act.

(c) *Streamlined Annual Plan requirements for all other fiscal years.* For all other fiscal years, the streamlined Annual Plan must include:

(1) The information required by § 903.7(g) and (o) and, if applicable, § 903.7(b)(2) with respect to site-based waiting lists and § 903.7(k)(1)(i) with respect to homeownership programs under section 8(y) of the 1937 Act;

(2) If the PHA wishes to use the project-based voucher program, a statement of the projected number of project-based units and general locations and how project basing would be consistent with its PHA Plan; and

(3) A certification from the PHA that lists the policies and programs covered by § 903.7(a), (b), (c), (d), (h), (k), and (r) that the PHA has revised since submission of its last Annual Plan and provides assurance by the PHA that:

(i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;

(ii) The changes were duly approved by the PHA board of directors (or similar governing body); and

(iii) The revised policies and programs are available for review and inspection at the principal office of the PHA during normal business hours.

[68 FR 37671, June 24, 2003]

§ 903.13 What is a Resident Advisory Board and what is its role in development of the Annual Plan?

(a) A Resident Advisory Board refers to a board or boards, as provided in paragraph (b) of this section, whose membership consists of individuals who adequately reflect and represent the residents assisted by the PHA.

(1) The role of the Resident Advisory Board (or Resident Advisory Boards) is to assist and make recommendations regarding the development of the PHA plan, and any significant amendment or modification to the PHA plan.

(2) The PHA shall allocate reasonable resources to assure the effective functioning of Resident Advisory Boards. Reasonable resources for the Resident Advisory Boards must provide reasonable means for them to become informed on programs covered by the PHA Plan, to communicate in writing and by telephone with assisted families and hold meetings with those families, and to access information regarding covered programs on the internet, taking into account the size and resources of the PHA.

(b) Each PHA must establish one or more Resident Advisory Boards, as provided in paragraph (b) of this section.

(1) If a jurisdiction-wide resident council exists that complies with the tenant participation regulations in part 964 of this title, the PHA shall appoint the jurisdiction-wide resident council or the council's representatives as the Resident Advisory Board. If the PHA makes such appointment, the members of the jurisdiction-wide resident council or the council's representatives shall be added or another Resident Advisory Board formed to provide for reasonable representation of families receiving tenant-based assistance where such representation is required under paragraph (b)(2) of this section.

(2) If a jurisdiction-wide resident council does not exist but resident councils exist that comply with the tenant participation regulations, the PHA shall appoint such resident councils or their representatives to serve on one or more Resident Advisory Boards. If the PHA makes such appointment, the PHA may require that the resident councils choose a limited number of representatives.

(3) Where the PHA has a tenant-based assistance program of significant size (where tenant-based assistance is 20% or more of assisted households), the PHA shall assure that the Resident Advisory Board (or Boards) has reasonable representation of families receiving tenant-based assistance and that a reasonable process is undertaken to choose this representation.

(4) Where or to the extent that resident councils that comply with the tenant participation regulations do not exist, the PHA shall appoint Resident Advisory Boards or Board members as needed to adequately reflect and represent the interests of residents of such developments; provided that the PHA shall provide reasonable notice to such residents and urge that they form resident councils with the tenant participation regulations.

(c) The PHA must consider the recommendations of the Resident Advisory Board or Boards in preparing the final Annual Plan, and any significant amendment or modification to the Annual Plan, as provided in § 903.21 of this title.

(1) In submitting the final plan to HUD for approval, or any significant amendment or modification to the plan

to HUD for approval, the PHA must include a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the PHA addressed these recommendations.

(2) Notwithstanding the 75-day limitation on HUD review, in response to a written request from a Resident Advisory Board claiming that the PHA failed to provide adequate notice and opportunity for comment, HUD may make a finding of good cause during the required time period and require the PHA to remedy the failure before final approval of the plan.

§ 903.15 What is the relationship of the public housing agency plans to the Consolidated Plan, the Assessment of Fair Housing, and a PHA's Fair Housing Requirements?

(a) The preparation of an Assessment of Fair Housing (AFH) is required once every 5 years, in accordance with 24 CFR 5.150 through 5.180. PHAs have three options in meeting their AFH requirements. PHAs must notify HUD of the option they choose. The options are:

(1) *Option 1: Assessment of Fair Housing with Units of General Local Government or State Governmental Agencies.* (i) A PHA may work with a unit of general local government or State governmental agency in the preparation of the AFH.

(A) A PHA must choose the unit of general local government or State governmental agency in which the PHA is located, unless the PHA's service area is within two or more jurisdictions.

(B) If the PHA serves residents of two or more jurisdictions, the PHA may choose the jurisdiction that most closely aligns to its planning activities under this part and 24 CFR part 905, unless the PHA has preexisting obligations prescribed in a binding agreement with HUD or the courts, such as a Recovery Agreement, Voluntary Compliance Agreement, or Consent Decree.

(C) If a PHA has a preexisting obligation prescribed in a binding agreement with HUD or the courts, the PHA must work with the general unit of local government named in the Agreement or Decree, when preparing the AFH.

(ii) A PHA working with a unit of general local government or State gov-

ernmental agency in the preparation of the AFH will have fulfilled the requirements of AFH submission when the general unit of local government or State governmental agency submits an AFH.

(iii) If the unit of general local government or state governmental agency's AFH is accepted, all PHAs working with the unit of general local government or State governmental agency in the preparation of the AFH will be covered by the applicable goals contained in the AFH.

(iv) If a PHA joins with a unit of general local government or State governmental agency in the preparation of an AFH, the PHA must ensure that its PHA Plan is consistent with the general unit of local government's or State governmental agency's applicable consolidated plan and its AFH. (See also 24 CFR 5.158 for coordination when preparing an AFH jointly with a jurisdiction.)

(v) PHAs are encouraged to enter into Memorandums of Understanding (MOU) with units of general local government, State governmental agencies, and other PHAs to clearly define the functions, level of member participation, method of dispute resolution, and decisionmaking process of the program participants in the creation of the AFH.

(2) *Option 2: Assessment of Fair Housing with Public Housing Agencies.* (i) A PHA may jointly participate with one or more PHAs in the planning, participation, and preparation of the AFH consistent with the requirements of 24 CFR 5.150 through 5.180, and with the geographic scope and proposed actions scaled to the PHAs' operations and region, as provided in § 5.154.

(A) PHAs preparing a joint submission of an AFH are encouraged to prepare MOUs or other such cooperative agreements, which clearly define the functions, level of member participation, method of dispute resolution, and decisionmaking process for the jointly participating PHAs. The MOU or cooperative agreement should also clearly indicate a lead agency that will submit on behalf of the joint participants.

(B) An accepted AFH submitted on behalf of jointly participating PHAs

will fulfill the submission requirements for all entities.

(C) If jointly participating PHAs' AFH is accepted, all PHAs participating in the creation of the AFH will be covered by the applicable goals contained in the AFH.

(ii) If a PHA joins with other PHAs in the submission of an AFH, the PHA must ensure that its 5-year PHA Plan is consistent with the AFH and its obligation to affirmatively further fair housing.

(iii) A PHA that is jointly participating with other PHAs in the creation of an AFH must certify consistency with the consolidated plan of the unit of general local government or State governmental agency in which the PHA is located, unless the PHA's service area is within two or more jurisdictions. If a PHA's service area is within two or more jurisdictions then:

(A) The PHA may choose to certify consistency with the jurisdiction that most closely aligns to its planning activities under this part and 24 CFR part 905, unless the PHA has pre-existing obligations prescribed in a binding agreement with HUD or the courts, such as a Recovery Agreement, Voluntary Compliance Agreement, or Consent Decree.

(B) If a PHA has a preexisting obligation prescribed in a binding agreement with HUD or the courts, the PHA must certify consistency with the general unit of local government named in the Voluntary Compliance Agreement or Consent Decree, when preparing the AFH.

(iv) In the event that HUD accepts an AFH under this option, and such AFH conflicts with the accepted AFH conducted by the unit of general local government or State governmental agency, a PHA's certification of consistency with the consolidated plan shall be accepted as a certification of consistency with the consolidated plan for all actions that do not directly conflict with the PHA's AFH that has been accepted by HUD.

(3) *Option 3: Independent PHA Assessment of Fair Housing.* (i) A PHA may conduct its own AFH with geographic scope and proposed actions scaled to the PHA's operations and region, in accordance with 24 CFR 5.154(d). An ac-

cepted AFH submitted by a PHA performing an independent AFH will fulfill the submission requirements for that PHA and the PHA shall be covered by the goals contained in the AFH.

(ii) A PHA that is performing its own AFH must certify consistency with the consolidated plan of the unit of general local government or State governmental agency in which the PHA is located, unless the PHA's service area is within two or more jurisdictions. If a PHA's service area is in two or more jurisdictions then:

(A) The PHA may choose to certify consistency with the jurisdiction that most closely aligns to its planning activities under this part and 24 CFR part 905, unless the PHA has pre-existing obligations prescribed in a binding agreement with HUD or the courts, such as a Recovery Agreement, Voluntary Compliance Agreement, or Consent Decree.

(B) If a PHA has a preexisting obligation prescribed in a binding agreement with HUD or the courts, the PHA must certify consistency with the general unit of local government named in the Voluntary Compliance Agreement or Consent Decree, when preparing the AFH.

(iii) In the event that HUD accepts an AFH under this option, and such AFH conflicts with the AFH conducted by the unit of general local government or State governmental agency, the PHA's certification of consistency with the consolidated plan shall be accepted as a certification of consistency with the consolidated plan for all actions that do not directly conflict with the PHA's AFH that has been accepted by HUD.

(b) PHAs may but are not required to request a change in their fiscal years to better coordinate their planning cycle with the planning performed under each of the options listed in paragraph (a) of this section.

(c) If a material change in circumstances occurs in the jurisdiction of a PHA that requires a revision to the AFH, as specified in 24 CFR 5.164, the PHA will have up to 12 months to incorporate any goals from the revised AFH into its 5-Year PHA Plan, in accordance with the provisions of 24 CFR 903.21.

(d) *Fair housing requirements.* A PHA is obligated to affirmatively further fair housing in its operating policies, procedures, and capital activities. All admission and occupancy policies for public housing and Section 8 tenant-based housing programs must comply with Fair Housing Act requirements and other civil rights laws and regulations and with a PHA's plans to affirmatively further fair housing. The PHA may not impose any specific income or racial quotas for any development or developments.

(1) *Nondiscrimination.* A PHA must carry out its PHA Plan in conformity with the nondiscrimination requirements in Federal civil rights laws, including title VI of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, and the Fair Housing Act. A PHA may not assign housing to persons in a particular section of a community or to a development or building based on race, color, religion, sex, disability, familial status, or national origin for purposes of segregating populations.

(2) *Affirmatively Furthering Fair Housing.* A PHA's policies should be designed to reduce the concentration of tenants and other assisted persons by race, national origin, and disability in conformity with any applicable Assessment of Fair Housing as defined at 24 CFR 5.150 through 5.180 and the PHA's assessment of its fair housing needs. Any affirmative steps or incentives a PHA plans to take must be stated in the admission policy.

(i) HUD regulations provide that PHAs must take steps to affirmatively further fair housing. PHA policies should include affirmative steps to overcome the effects of discrimination and the effects of conditions that resulted in limiting participation of persons because of their race, national origin, disability, or other protected class.

(ii) Such affirmative steps may include, but are not limited to, marketing efforts, use of nondiscriminatory tenant selection and assignment policies that lead to desegregation, additional applicant consultation and information, provision of additional supportive services and amenities to a development (such as sup-

portive services that enable an individual with a disability to transfer from an institutional setting into the community), and engagement in ongoing coordination with state and local disability agencies to provide additional community-based housing opportunities for individuals with disabilities and to connect such individuals with supportive services to enable an individual with a disability to transfer from an institutional setting into the community.

(3) *Validity of certification.* (i) A PHA's certification under §903.7(o) will be subject to challenge by HUD where it appears that a PHA:

(A) Fails to meet the affirmatively furthering fair housing requirements at 24 CFR 5.150 through 5.180, including failure to take meaningful actions to further the goals identified in the AFH; or

(B) Takes action that is materially inconsistent with its obligation to affirmatively further fair housing; or

(C) Fails to meet the fair housing, civil rights, and affirmatively furthering fair housing requirements in 24 CFR 903.7(o).

(ii) If HUD challenges the validity of a PHA's certification, HUD will do so in writing specifying the deficiencies, and will give the PHA an opportunity to respond to the particular challenge in writing. In responding to the specified deficiencies, a PHA must establish, as applicable, that it has complied with fair housing and civil rights laws and regulations, or has remedied violations of fair housing and civil rights laws and regulations, and has adopted policies and undertaken actions to affirmatively further fair housing, including, but not limited to, providing a full range of housing opportunities to applicants and tenants and taking affirmative steps as described in paragraph (d)(2) of this section in a nondiscriminatory manner. In responding to the PHA, HUD may accept the PHA's explanation and withdraw the challenge, undertake further investigation, or pursue other remedies available under law. HUD will seek to obtain voluntary corrective action consistent with the specified deficiencies. In determining whether a PHA has complied with its certification, HUD will review the

§ 903.17

PHA's circumstances relevant to the specified deficiencies, including characteristics of the population served by the PHA; characteristics of the PHA's existing housing stock; and decisions, plans, goals, priorities, strategies, and actions of the PHA, including those designed to affirmatively further fair housing.

[80 FR 42369, July 16, 2015]

§ 903.17 What is the process for obtaining public comment on the plans?

(a) The PHA's board of directors or similar governing body must conduct a public hearing to discuss the PHA plan (either the 5-Year Plan and/or Annual Plan, as applicable) and invite public comment on the plan(s). The hearing must be conducted at a location that is convenient to the residents served by the PHA.

(b) Not later than 45 days before the public hearing is to take place, the PHA must:

(1) Make the proposed PHA plan(s), the required attachments and documents related to the plans, and all information relevant to the public hearing to be conducted, available for inspection by the public at the principal office of the PHA during normal business hours; and

(2) Publish a notice informing the public that the information is available for review and inspection, and that a public hearing will take place on the plan, and the date, time and location of the hearing.

(c) PHAs shall conduct reasonable outreach activities to encourage broad public participation in the PHA plans.

§ 903.19 When is the 5-Year Plan or Annual Plan ready for submission to HUD?

A PHA may adopt its 5-Year Plan or its Annual Plan and submit the plan to HUD for approval only after:

(a) The PHA has conducted the public hearing;

(b) The PHA has considered all public comments received on the plan;

(c) The PHA has made any changes to the plan, based on comments, after consultation with the Resident Advisory Board or other resident organization.

24 CFR Ch. IX (4-1-17 Edition)

§ 903.21 May the PHA amend or modify a plan?

(a) A PHA, after submitting its 5-Year Plan or Annual Plan to HUD, may amend or modify any PHA policy, rule, regulation or other aspect of the plan. If the amendment or modification is a significant amendment or modification, as defined in § 903.7(r)(2), the PHA:

(1) May not adopt the amendment or modification until the PHA has duly called a meeting of its board of directors (or similar governing body) and the meeting, at which the amendment or modification is adopted, is open to the public; and

(2) May not implement the amendment or modification, until notification of the amendment or modification is provided to HUD and approved by HUD in accordance with HUD's plan review procedures, as provided in § 903.23.

(b) Each significant amendment or modification to a plan submitted to HUD is subject to the requirements of §§ 903.13, 903.15, and 903.17.

§ 903.23 What is the process by which HUD reviews, approves, or disapproves an Annual Plan?

(a) *Review of the plan.* When the PHA submits its Annual Plan to HUD, including any significant amendment or modification to the plan, HUD reviews the plan to determine whether:

(1) The plan provides all the information that is required to be included in the plan;

(2) The plan is consistent with the information and data available to HUD;

(3) The plan is consistent with any applicable Consolidated Plan for the jurisdiction in which the PHA is located; and

(4) The plan is not prohibited or inconsistent with the 1937 Act or any other applicable Federal law.

(b) *Scope of HUD review.* HUD's review of the Annual Plan (and any significant amendments or modifications to the plan) will be limited to the information required by § 903.7(b), (g), (h), and (o), and any other element of the PHA's Annual Plan that is challenged.

(c) *Disapproval of the plan.* (1) HUD may disapprove a PHA plan, in its entirety or with respect to any part, or disapprove any significant amendment or modification to the plan, only if

HUD determines that the plan, or one of its components or elements, or any significant amendment or modification to the plan:

(i) Does not provide all the information that is required to be included in the plan;

(ii) Is not consistent with the information and data available to HUD;

(iii) Is not consistent with any applicable Consolidated Plan for the jurisdiction in which the PHA is located; or

(iv) Is not consistent with applicable Federal laws and regulations.

(2) Not later than 75 days after the date on which the PHA submits its plan or significant amendment or modification to the plan, HUD will issue written notice to the PHA if the plan or a significant amendment or modification has been disapproved. The notice that HUD issues to the PHA must state with specificity the reasons for the disapproval. HUD may not state as a reason for disapproval the lack of time to review the plan.

(3) If HUD fails to issue the notice of disapproval on or before the 75th day after the date on which the PHA submits its plan or significant amendment or modification to the plan, HUD shall be considered to have determined that all elements or components of the plan required to be submitted and that were submitted, and to be reviewed by HUD were in compliance with applicable requirements and the plan has been approved.

(4) The provisions of paragraph (b)(3) of this section do not apply to troubled PHAs. The plan of a troubled PHA must be approved or disapproved by HUD through written notice.

(d) *Designation of due date as submission date for first plan submissions.* For purposes of the 75-day period described in paragraph (b) of this section, the first 5-year and Annual Plans submitted by a PHA will be considered to have been submitted no earlier than the due date as provided in § 903.5.

(e) *Public availability of the approved plan.* Once a PHA's plan has been approved, a PHA must make the approved plan and the required attachments and documents related to the plan, available for review and inspection, at the principal office of the PHA during normal business hours.

(f) *Recordkeeping.* PHAs must maintain a copy of the Assessment of Fair Housing as described in 24 CFR part 5, subpart A (§§ 5.150 through 5.180) and records reflecting actions to affirmatively further fair housing, as described in § 903.7(o).

[65 FR 81222, Dec. 22, 2000, as amended at 68 FR 37671, June 24, 2003; 80 FR 42371, July 16, 2015]

§ 903.25 How does HUD ensure PHA compliance with its plan?

A PHA must comply with the rules, standards and policies established in the plans. To ensure that a PHA is in compliance with all policies, rules, and standards adopted in the plan approved by HUD, HUD shall, as it deems appropriate, respond to any complaint concerning PHA noncompliance with its plan. If HUD should determine that a PHA is not in compliance with its plan, HUD will take whatever action it deems necessary and appropriate.
